**Meet Salina!**

## *Salina is a young woman full of energy and humor.*

She loves playing volleyball and basketball with her friends and jamming to her favorite music, rap. When Salina is in her element, you can find her breaking out new dance moves she learned on Tik Tok, and she loves to teach others how to dance. She enjoys going to the park to play basketball or going to Peter Piper Pizza to play games and eat hot wings.

At school, Salina enjoys math and learning new things with her peers. She is a great advocate for herself and what she needs. She dreams of going to Disneyland or Disney World someday, and if she had three wishes, she would wish for unlimited coffee, unlimited Takis, and to be a great singer.

Salina would thrive in a family that will love and support her. She would benefit from a family who has experience with children from foster care and can provide a lot of one-on-one time. The family for Salina will be patient, understanding and will help her stay connected to her siblings in Arizona.

Salina was born in 2006.
