

ConnectOne Meet Jaiden!

Jaiden is an energetic and charming young person who loves Minecraft, superheroes and watching movies.

While some other interests are playing soccer and riding bikes, Jaiden's favorite hobbies are playing games on the tablet and building with wood or Legos. Jaiden is also very curious and enjoys learning how things work, especially machinery.

Jaiden likes many types of foods and would not be described as a picky eater. Some favorites are bean burritos, spaghetti and McDonald's. Jaiden states that dogs are his favorite animal and loves puppies of all kinds.

In school, Jaiden continues to progress, keeps his grades up, and enjoys reading. If Jaiden could go anywhere in the world, it would be to visit Legoland.

The ideal family for Jaiden would be an experienced nurturing one or two-parent household where boundaries and expectations are clear. Jaiden will require a lot of patience, love and attention to thrive.

Jaiden was born in 2008.
