

ConnectOne Meet Travis!

Travis is a fun, expressive teenager who loves to smile and has a good sense of humor.

Travis has a tender heart. Travis likes being close to trusted people and will hold your hand and sit right next to you. This youth enjoys nursery rhymes and listening to music. Travis is an early riser and thrives on routine.

Travis' ideal family is one that is able to give their full attention and spend one on one time. Travis would thrive in a home with a family that is very structured and routine-based and gives adequate time to adjust when activities are outside of the norm.

Travis was born in 2009.
